

Director of Engineering & Processing Division

Dr. Astimar Abdul Aziz

Tel : +603-8769 4406

Email : astimar@mpob.gov.my

EDUCATION:

- PhD (Physic) UKM
- MSc (Food Technology) USM
- BSc (Food Technology) USM

WORKING KNOWLEDGE AND EXPERIENCE:

- Bioconversion of lignocellulosic materials into single cell protein and ethanol
- Extraction of lignocellulosic components of xylose, cellulose and lignin
- Lignin Technology (extraction, purification and applications)
- Advanced carbon products (molecular sieve carbon)
- Activated carbons Technology
- Bio-composites Technology
