

## **Research Officer**

**Hasliyanti Alias**

**Tel : +603-8769 4434**

**Email : [hasliyanti@mpob.gov.my](mailto:hasliyanti@mpob.gov.my)**

### **INTEREST:**

- Improving oil extraction rate (OER), minimizing oil losses, oil recovery technology, chemical and physical properties of oils and fats, oil quality assessment, refining process

### **EDUCATION:**

- B. Eng. (Hons) in Biochemical Engineering, Universiti Kebangsaan Malaysia

### **AREA OF RESEARCH:**

- Palm oil milling technology, oil recovery system, oil quality and downstream processing technology, secondary oil properties and quality

### **AREA OF EXPERTISE:**

- Milling processing and downstream engineering
